## **Learn from Faculty Who Care**

Our award-winning faculty know that you are more than just a number, so from day one, they engage, mentor and challenge you to be the boldest version of yourself. With one-on-one, hands-on learning experiences based on their own working experience, our faculty will help you gain the skills to drive your profession forward.

## **Find Flexibility and Value**

Bowie State empowers a diverse student body to achieve their goals with accessible, high-quality education. To ensure that nothing stands in the way of your goals, we provide flexible online programs for many of today's most in-demand job markets. In addition, the value of our programs shows, not only in the affordability of our tuition, but also in the high percentage of our graduates who leave Bowie State with employment.

## **Be Part of a History of Excellence**

With 160+ years of history to inspire us forward, Bowie State ranks among the nation's top HBCUs—and we're just getting started. As a valued member of the Bowie State community, you will find programs, resources and support that inspire you to live courageously, confidently and ambitiously, knowing that your degree adds ongoing value to your career and your life.
